

# Common Course Numbering (CCN)

## SAME COURSES, NEW NUMBERS!

### WHAT IS COMMON COURSE NUMBERING?

The California Common Course Numbering (CCN) system is a statewide effort to make it easier for students to transfer between community colleges and four-year universities. It ensures that similar courses across California Community Colleges have the same course number.

### HOW DOES THIS HELP STUDENTS?

- ★ No more guessing if a course will transfer! CCN helps students take the right courses without worrying about mismatched numbers.
- ★ It simplifies the process of moving from a community college to a university.
- ★ It helps prevent students from accidentally taking the wrong course, saving time and money.

### WHAT IS CHANGING?

- ★ The courses are not changing—just the numbers and titles.
- ★ Some course numbers are being updated to align with the CCN system.
- ★ All CCN courses will include a “C” in the course number (e.g., ENGL 1 becomes ENGL C1000).
